When you can live forever,  
what do you live for?

NTSC

Twilight the game

Play as Bella as you try to unmask Edward for the gay vampire that he is. You will shake and shimmy your way into his pants to find nothing going on down there. This is the first RPG of it's time to let the encourage the player to kill themselves for playing such a horrible game. Lure Edward into the sunlight so that he sparkles for a few seconds before bursting into flames, writhing in undead agony.

Aliquam mauris purus, sodales sit amet mollis lobortis, auctor at sapien.
