**AFFIDAVIT OF JOHN FARRIS**

STATE OF KENTUCKY            )  
                                          )  
COUNTY OF FAYETTE         )

John Farris, having been duly sworn, states as follows:

1. My name is John Farris.
2. I am over the age of eighteen and am otherwise qualified to offer the following testimony, which is based upon my own personal knowledge.
3. I am the President and Founder of Commonwealth Economics. In my capacity as President, I provide advice and guidance to businesses and entities on debt and equity financing, raising capital, restructuring operations, sourcing partners, and drafting business plans and offering documents.

4. In October 2009, Charles Jones hired Commonwealth Economics to evaluate SE Book Company, LLC and College Book Rental Company, LLC and make recommendations on improving profitability.

5. Despite being given only limited information provided by Jones and C.A. Jones Management, LLC, Commonwealth Economics concluded that the companies' expenses were too high and made recommendations to decrease expenses, in particular. On numerous occasions, I asked Mr. Jones for additional documentation concerning SE Book and College Book Rental and supporting documents regarding expenses. Mr. Jones declined to provide those documents.

6. Jones indicated his willingness to follow the advice of Commonwealth Economics.

7. Despite receiving these assurances, subsequent financial reports received in 2010 indicated that Jones was acting in contradiction to the advice they solicited from Commonwealth Economics.

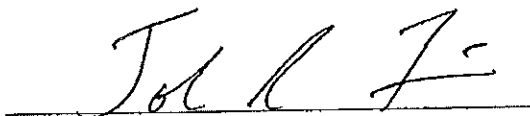

8. David Griffin continued to raise concerns about the financial viability of the SE Book and College Book Rental during this time.

9. In December 2010, Commonwealth Economics again provided specific recommendations to Charles Jones and C.A. Jones Management about ways to increase the profits of SE Book and College Book Rental in a manner that would repay to David Griffin by 2012 all of the previous amounts he had invested in the two companies and repay the additional \$10 million C. Jones now requested from Griffin.

10. One of the recommendations involved reduction of the expenses of SE Book and College Book Rental, including the fees it paid to C.A. Jones Management.

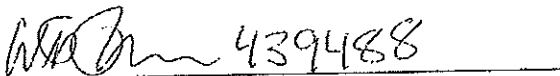

11. Charles Jones and C.A. Jones Management represented that they would take each recommended step in order to repay Griffin by 2012 all amounts he invested in the SE Book and College Book Rental.

FURTHER THE AFFIANT SAITH NOT.
